Why Choose Code Red Roofers?

Code Red Roofers is a local run business that specializes in modern and traditional roofing systems. We constantly strive to ensure every customer is a happy customer, with over ten years of experience we have a proven track record and have built up a great reputation as a high quality, reliable and honest roofing provider.

Metal Roofs

While the cost of a metal roof may be higher than other roofing materials the energy efficient and extremely durable premium metal can save you money in the long run.

Tile Roofs

Concrete roof tiles are made from natural raw ingredients and are offered in a wide variety of color, shape and texture.

Shingle Roofs

Asphalt shingles also called composite shingles are made of cellulose fibers or fiberglass as base and a topcoat of various colors of ceramic coated mineral granules, the result is a very dependable and resistant product.

Roof Repairs

Remove your concerns over leaking roofs, damages, and general repair. We offer a comprehensive range of services for repair and refurbishment of residential and commercial roofing.
